Hi William,

I met you last week in the Council office. Per our conversation here are some photos of the Retna billboards. I also included a link to a YouTube video of the artist doing his thang. Nice to meet you and I hope these are what we were talking about.

Thanks
Tim

William,

The email I sent was pretty large so I'm not sure if it went through?

Greetings Tim,

Thank you so much for the RETNA content. These are amazing! I've taken a few photos of billboards, but not all – wish makes hunting for them all the fun. Is there a list of the billboards in the streets of Los Angeles? :)

Again, thank you so much for this.

My best,

William,

Currently there aren't any on the street but if/when we do I'll try to remember to give you a heads up!

Tim
